

Five Gateways to Northern Portugal

Where Your Journey Begins

Northern Pathways offers private pickup from five strategic gateways across Northern Portugal. These cities provide convenient access to the landscapes where our experiences unfold — from the Atlantic coast to the vineyards of the Douro Valley and the mountains of Alvão, Gerês and Trás-os-Montes.

PORTO

Atlantic Gateway

Historic maritime city and natural entry point to Northern Portugal.

BRAGA

Gateway to Minho

One of Portugal's oldest cities and a vibrant cultural centre.

GUIMARÃES

Birthplace of Portugal

A UNESCO World Heritage city surrounded by historic landscapes.

VILA REAL

Gateway to Douro & Alvão

Located between the Douro Valley and Alvão Natural Park, ideal for journeys exploring mountain landscapes.

CHAVES

Gateway to Trás-os-Montes

A historic border city with Roman origins, providing access to the traditions and landscapes of northern Trás-os-Montes.

RIBEIRA DE PENA

Gateway to Basto Region

Surrounded by mountains and rivers, it offers direct access to the landscapes of the Basto region and the Alvão Natural Park.

Pickup is available from these five gateway locations. Nearby towns and rural locations may also be arranged upon prior agreement. Requests outside these gateways should be coordinated in advance to ensure availability and proper travel planning.
